

Asbestos Blockplan Buckhout Lab

DO NOT PRINT THESE BLOCKPLANS AND ASSUME CHANGES NEVER OCCUR. UPDATES ARE CONSTANTLY BEING ADDED.

These blockplans DO NOT include the following asbestos containing materials:

Thermal insulations such as pipe, boiler, tank, or duct insulation; these are assumed to contain asbestos unless they are obviously fiberglass or foam rubber.

ALL resilient floorings are also assumed to contain asbestos (i.e. 12"x12" and 9"x9" Floor Tile, Linoleum, etc.).

ALL Soapstone Lab Bench Tops are also assumed to contain asbestos.

Many of these materials are above drop ceilings and are not readily visible. Specific locations of these materials can be obtained by calling Environmental Health and Safety at 5-6391 (3-1111 after 5 P.M.).
